

ARE YOU LISTENING?

YOUR BODY TELLS YOU WHEN THERE MAY BE A PROBLEM.

Gynecologic cancers have symptoms. Learn the signs. If you notice something is not quite right and it lasts for two weeks or longer, see your doctor. And if you have vaginal bleeding that's not normal for you, see your doctor right away. It may be nothing, but find out for sure.

Listen to your body. And get the *Inside Knowledge* about gynecologic cancer.
